8. (Secret - JGO) Met with Mr. Walter Pincus, on the staff of the Subcommittee on United States Security Agreements and Commitments Abroad, Senate Foreign Relations Committee. Mr. Pincus told me the transcripts of the testimony of 20, 21, 22, and 28 October 1969 relating to the Kingdom of Laos are at the printers and will be published as part 2 of the Committee hearings relating to U.S. security agreements and commitments abroad. The hearings are scheduled for release on Monday, 20 April. In addition to release of the transcripts, Senator Symington has scheduled a press conference for 2:30, Friday, 17 April, at which time he will probably make copies of the printed hearings available to the press. Mr. Pincus also advised that he would have two copies for me when they are received from the printers about noon tomorrow.
